

A Quick Change is LESS than 5 dances in between to change.

Few tips:

If you have **only 1 dance in between**, you will be changing in a designated area right off of the **stage**.

If you have **more than 1 dance**, you will change in the Quick Change Area that will be assigned.

If you are a company member (LBT, LBT2 and IDC), you will go to your designated area/dressing room.

Boys will change in the boy's dressing room.

When you arrive at the Theater, please bring all of your items for your Quick Change to the Quick Change area before the show. If you are changing on stage, one of the Recital Ladies (Tinika Harrup, Lisa Isabelle, Amy Sutton, Carla Mowery) will show you where to go. Your costume should be on a hanger and please have all small items in a bag. Please make sure your **name is on EVERYTHING!** If you have a hair change, please make sure to bring a comb/brush, bobby pins, etc. It is also a good idea to bring a small basket where you can quickly drop the costume/headpiece that you are taking off.

Make sure you **have everything laid out** and ready.

If going to/from ballet to tap or jazz, try to layer your tights. Please ask if you have any questions.

For our older dancers or company members (LBT, LBT2 and IDC) please find another dancer who can help you. If you cannot, please ask one of the Recital Ladies. **YOU NEED TO PLAN THIS OUT AHEAD OF TIME!**
