Pre-Professional Supplement (Pre Pros)

Fri 5:00-6:15 PM ***Lannin/Loch

Pre Pro is a special group of dedicated dancers who come together each Friday for strengthening, stretching and to work on skills needed to improve their technique. It is for levels 3, 3X, 4, 4x, 5, 6. There is no audition required for Pre Pro but dancers must take a minimum of two ballet classes per week to be a part of Pre Pro. Because of the amount of improvement Pre Pro students make during the year, the T/Th Ballet 3 class is reserved for those in Pre Pro. Pre Pro is not a regular technique class, but a focus on turns, petit allegro and grand allegro. This class also teaches proper etiquette in all professional situations and provides performance opportunities besides the annual recital such as local festivals, Christmas performance and opportunities to audition for LBT productions when children's roles are needed. A special uniform and studio warmup is required and light pink canvas ballet slippers. Those en pointe will also work en pointe.

ADVANCED PROGRAM SCHEDULE

ADVANCED STUDENTS MAY ALSO TAKE CLASSES FROM OUR REGULAR SCHEDULE.

This program was developed to meet the needs of the serious student who may possibly choose a career in the field of dance or pursue a college dance degree. Students **must be recommended or audition** for this program. Students who desire only 2 or 3 classes a week should take classes in our excellent open program. Students in any Advanced Class must abide by an additional set of policies. A parent and dancer are to schedule a meeting with the director if this will be your first year in any Advanced class (with the exception of Advanced Tap) to review these policies. **Adv Pointe students who wish to perform with the Adv. Ballet program must take a minimum of 4 Adv Ballet classes. The required classes are listed below. All Adv Ballet students, LBT, LBT2 are required to take a minimum of 3 weeks of our 5-week BC Summer Workshop. Students who take an Adv Level Modern or Jazz class are required to take a ballet class during the year and a minimum of 3 weeks of Summer Workshop to remain in that level in the Fall.** Email Mrs. Lannin to work out conflicts in your schedule, or if you would like to add additional classes.
