After your last dance, meet your dancer in dressing rooms to change. Make sure you have all items before you leave so you are ready for the big day!

**PARENTS OF TWINKLE/BALLET TAP STUDENTS** put on their child's first costume. Our costume team and student teachers will change them into their second costume so you can remain in the audience to watch both dances. This is why it is important to bring the labeled bag we give to you at the costume meeting and only put the items needed for the second dance in the bag. Do not put other items like warmups, street shoes, toys, etc. in your labeled bag because it makes it difficult for us to find what we really need in a hurry.
