Pre-Professional Supplement (Pre Pro)

Fri 5:00-6:15 PM Lannin/Loch/Glenn
Pre Pro is a special group of dedicated dancers who come together each Friday for strengthening, stretching and to work specifically on skills needed for center work. It is for levels 3, Teen Ballet, 4, 5. There is no audition required for Pre Pro but dancers must take a minimum of two ballet classes per week to be a part of Pre Pro. Because of the amount of improvement Pre Pros make during the year, the T/Th Ballet 3 class is reserved for those in Pre Pro. This class teaches proper etiquette and professionalism and provides performance opportunities besides the annual recital. Pre Pro dancers may audition for LBT productions when children's roles are needed. A special Pre Pro leotard, skirt and a warmup is required as well as light pink canvas ballet slippers. Boys have a required shirt, warmup jacket, black tights & black shoes. Fittings will take place on the first day of class.
